### 4 INCOME TAX WITHHOLDING

We will withhold and forward applicable taxes to the Internal Revenue Service (IRS) on your behalf (taxes may not be withheld on custodial-owned accounts) or you can elect to not have us withhold taxes, but you then may have to pay estimated taxes to the IRS. If your withholding and estimated tax payments are not sufficient, IRS penalties may apply. **Unless you elect otherwise, the minimum federal income tax we will withhold for nonqualified contracts and IRAs is 10%. If you have a 401a, 401k, Keogh or custodial-owned contract, taxes cannot be withheld.**

If you have a TSA/403(b) contract, we will withhold 20%. However, if you transfer or directly roll over the funds to another TSA/403(b), qualified plan, or IRA, the 20% withholding is not required. If the withdrawal is a result of your taking substantially equal periodic payments from your TSA/403(b) contract, then 10% will be withheld unless otherwise specified.

In addition to federal income tax withholding requirements, state income tax, if applicable, will be withheld. Consult your tax advisor for more information.

I elect the following: **Federal:**  Do not withhold  Withhold \_\_\_\_\_%  
**State:**  Do not withhold  Withhold \_\_\_\_\_%

### 5 CHECK AMOUNT

If not specified or if the withdrawal amount is a percentage, a withdrawal for the gross amount will be processed.

- Gross** Applicable charges, taxes, and any adjustments will be deducted from the requested amount.
- Net** Applicable charges, taxes, and any adjustments will be added to the requested amount (not available for percentage withdrawals).

### 6 SOURCE

If you want the withdrawal taken from specific investment options, write the name of the investment option(s) in the section below. You must also indicate the amount to be withdrawn from the investment option(s) as either a whole percentage or dollar amount (but not both). Make sure that percentages total 100% and dollar amounts total the entire withdrawal. A GIO cannot be the source account for preauthorized withdrawals. To have the withdrawal taken proportionately from all of your investment options, leave this section blank. Please refer to the prospectus for a complete list of all available investment options and the impact of fund specific withdrawals on your contract. For additional investment options, attach a separate sheet signed and dated by all owners including the information requested below.

**7 DISABILITY** If you become disabled before you reach age 59½, any distribution because of your disability may not be subject to the 10% additional tax. You are considered disabled if you can furnish proof that you cannot do any substantial gainful activity because of your physical or mental condition. A physician must determine that your condition can be expected to result in death or to be of long, continued, and indefinite duration. You also must provide a signed Pacific Life Disability Certification form. If a scheduled withdrawal is established, it is your responsibility to notify Pacific Life in the event that your condition no longer meets the definition of "disabled" according to IRC Section 72(m)(7).

- Check this box if the distribution(s) requested by this form is (are) because of your disability and you have included a Pacific Life Disability Certification form, which has been signed by a physician.

### 10 10B. Employee Self-Certification

If your contract is exempt from the final 403(b) regulations, your employer does not have to approve this withdrawal/distribution request. If your contract is not exempt, your employer that sponsored this 403(b)/TSA contract **MUST** approve the transaction.

My contract is exempt from the final 403(b) regulations due to the following reason(s): (Select all that apply)

- I did not make any salary deferral contributions to this contract after December 31, 2004.
- My contract was issued with a 90-24 transfer initiated prior to September 25, 2007 and no additional contributions have been made.  
Separation from employment
- My employer that sponsored this contract no longer exists (i.e., out of business).

### 11 SIGNATURE(S) AND CERTIFICATION

If I am requesting a full surrender I affirm that the original contract has been lost or destroyed. To the best of my knowledge, no one else has any rights, title, or interest in the contract and it has not been assigned, pledged, or encumbered.

I understand that any distributions from my contract may be subject to withdrawal charges. I also acknowledge that withdrawals containing a taxable amount may be subject to federal and state income taxes, and if taken prior to age 59½, a 10% IRS additional tax may apply.

A market value adjustment (MVA) may apply to withdrawals from GIOs.

I agree to return all funds withdrawn if I exercise my right to cancel the contract within the free-look period.

If my contract has an optional rider, withdrawing more than the protected payment amount in a contract year may result in reduced benefits from the rider, and the amounts initially protected may no longer be guaranteed.

I understand that withdrawals may reduce any death benefit and benefits of any optional riders.

If distributions other than qualified transfers are made from an IRA or qualified plan, I understand that they will be subject to income tax, and if taken prior to age 59½, a 10% additional tax may apply. I further understand that withdrawals from the qualified plan may be restricted by the plan document, information sharing agreement, or IRS and I should consult my financial advisor.

If there is an active 72(t) or 72(q) preauthorized withdrawal program, I understand that any additional one-time distributions may subject all prior and succeeding distributions to the 10% additional tax. If I elect 72(t) or 72(q) payments, I bear the risk of any modification made and my source funds depleting (causing my payments to cease). Modifications may subject the series of 72(t) or 72(q) withdrawals to a 10% additional tax and may occur if **additional purchase payments to or withdrawals from** the contract are made or 72(t)/72(q) withdrawals are increased, decreased, or stopped. I am fully responsible for all resulting tax consequences.

If I have elected a withdrawal due to disability, I certify that I am disabled and have provided a Disability Certification form from my physician stating that I am disabled according to the definition under IRC Section 72(m)(7). If I have elected a scheduled withdrawal, it is my responsibility to notify Pacific Life in the event that my condition no longer meets the definition of "disabled" according to IRC Section 72(m)(7).

If I have requested a withdrawal from a TSA/403(b) contract, I confirm that there is an information sharing agreement in place with Pacific Life and that Pacific Life may share information with my employer regarding activity on my contract.

**I agree that if I am providing this form to Pacific Life by fax, it is as valid as the original. I also agree that the maximum withdrawal via fax is \$250,000 (gross).**

If any withdrawal reduces the contract value to an amount less than the required minimum value as stated in the contract, Pacific Life may terminate the contract and pay the full withdrawal value. Payment of the full withdrawal value will end the contract and Pacific Life will have no further obligations under the contract.

**INSTRUCTIONS**

- 1 General Information:** Provide the contract owner's name, daytime telephone number and annuity contract number, if known.
- 2 One-Time Withdrawal:** Refer to your product prospectus for withdrawal minimums. Any amount up to the total account value, less outstanding debt, may be withdrawn on a one-time basis. A market value adjustment (MVA) may apply to withdrawals from the guaranteed investment options (GIOs). Withdrawals may be taken from qualified plans if allowed. (You must complete Section 4 indicating income tax withholding.) If the full surrender box is checked, the cash surrender value will be as of the date all requirements are received in good order. For overnight delivery, shipping and handling charges will be deducted proportionately from all investment options. The amount of the charge may be considered to be a distribution and you will be fully responsible for all resulting tax consequences.
- 3 Preauthorized Withdrawal:** Refer to your product prospectus for withdrawal minimums. If this form is received by Pacific Life after the selected start date, the first withdrawal will be processed the following month on the date selected or the next business day if the date falls on a weekend or a holiday. (If no start date is selected, the first preauthorized withdrawal will be processed on the day all requirements are received in good order.) Payment will reflect deduction of taxes if withholding is selected (Section 4) and will be taken proportionally from all investment options if none selected. If the withdrawal is a percentage of contract value, withdrawals will be taken proportionally from all existing investment options relative to the account value in each option. Preauthorized withdrawals may be stopped or modified by contacting Pacific Life at least five days prior to the next withdrawal date. If the withdrawals are based on a 72(t)/72(q) election, any changes to the distribution amount may subject all prior and succeeding distributions to the 10% additional tax and you bear the risk of your source funds depleting and causing your payments to cease. The annual percentage amount is calculated as follows: on the effective date of the request, the contract value amount will be multiplied by the percentage and that amount will be divided by the frequency to determine the withdrawal amount. This calculation will be repeated at each frequency thereafter (for example, monthly, if monthly frequency is selected), using the contract value amount at that time.
- 4 Income Tax Withholding:** If not indicated, taxes will be withheld automatically based on the taxable amount and contract type. However, taxes may not be withheld on custodial-owned accounts.  
**Note to Indiana Taxpayers:** Effective January 1, 2009, Indiana provides for county taxes to be withheld when state taxes are withheld. If you wish to withhold county taxes, please include completed and signed Form WH-4P (R2/8-08) which can be found on the Indiana Department of Revenue website. Please call Pacific Life Customer Service for instructions.
- 5 Check Amount:** If neither box is selected, Pacific Life will process a gross check amount, which reflects the deduction of taxes and any charges from the requested amount.
- 6 Source:** If this section is left blank, withdrawals will be taken proportionally from all existing investment options relative to the account value in each option. Total must equal either 100% or full dollar withdrawal amount. A GIO cannot be a source account for preauthorized withdrawals.
- 7 Disability:** Complete this section if the requested withdrawal(s) is(are) because of your disability. A Pacific Life Disability Certification form must also be included with this request.
- 8 Delivery Instructions:** If distributions are to be mailed to a third-party payee or alternate address, complete this section.
- 9 Electronic Funds Transfers (Optional):** If distributions are to be electronically transferred to the contract owner's checking or savings account, complete this section and attach a void check or deposit slip to this form.
- 10 For TSA/403(b) Contracts Only—Employer's/Third-Party Administrator's Authorization or Self-Certification:** Complete this section only if requesting a withdrawal/distribution from a TSA/403(b) contract. Employer's/third-party administrator's authorization and signature is required. Please note that 12/31/88 annuity balances may be distributed without the occurrence of a triggering event. Elective deferrals (i.e., employee contributions) received on or after 1/1/89 cannot be distributed prior to age 59½ or the occurrence of one of the events listed on this form. Hardship distributions may be subject to the 10% additional tax.
- 11 Signature(s) and Certification:** The form must be signed by the owner. In cases of joint ownership, both owners must sign. A Medallion Signature Guarantee may be required for certain distributions requested to be mailed to a third-party payee. A Signature Guarantee also may be required whenever we believe that verification of authenticity is necessary to protect you or us.
